I've been following Christie's career for many years now and was thrilled to have her perform at my wedding. The atmosphere the duo created for our ceremony was perfect and all the guests were kept entertained during our canapés too. Our live music really set our day apart from other weddings we have attended. Thank you Christie and Jonathan for completing our day so perfectly.

We were thrilled to find a quality duo that was happy to travel out to Blayney for our reception. Christie and Jonathan were easy to work with and were happy to learn our custom songs for our special day. We couldn't be happier with how everything turned out.

Organising our wedding entertainment with Christie was a breeze. Each song request or alteration to the running of the day was never an issue. Our guests all enjoyed the acoustic duo for the official ceremonial part of our day and the energy the trio brought to the reception. Our day flowed perfectly and we wouldn't be happier with our choice of entertainment.

Working with Christie made organising our big days entertainment easy. We were able to specifically choose our set list for the night and have the band highlight and announce certain key parts of the night for us too. The energy the band brought kept everyone on the dance floor all night and was the perfect end to the perfect day for us.

Thank you to the Christie Lamb Trio for travelling out to Griffith to be part of our big day. No request was ever too much and made our night. We couldn't have asked for anything more.

Christie and Jonathan have been absolutely amazing from the moment we first got in touch. They made our day so special and we couldn't have asked for two better performers. We wish them nothing but the absolute best in the future.

We first met Christie and Jonathan at a gig in western Sydney and loved their song list. There was so much variety from country to contemporary pop as well as the classic hits of the 70's and 80's. We thought it was the perfect repertoire for our guests. Christie and Jonathan tailored our set perfectly and fulfilled all of our special song requests. They are such professionals at what they do. They are beautiful people to work with and we will continue to support them in their musical journey.

With Covid still present at the time, we had to downsize our wedding. Even though our plans had to change, Christie and Jonathan managed to create a beautiful intimate feeling to our ceremony and all our guests were kept entertained during our cocktail hour. The atmosphere live music brought to our day was perfect.

Christie and Jonathan made our ceremony magical. Our young ring boy had a case of stage fright and put a halt to us being able to walk down the aisle. I could hear our aisle song getting towards the end and thought we were going to have to walk in silence, but Christie and Jonathan were able to extend the song and arrangement on the spot and timed it exactly for when we reached the end of the aisle. Their professionalism and musicality are superb and everyone commented on how beautiful the live music was in our ceremony. I couldn't recommend two better musicians for anyone's big day.
